

# Certification – Next Steps for AgilePM Practitioners

**DSDM Advanced Practitioner**

**Agile Leader Advanced Practitioner**

## Advanced Practitioner Certification

- Experience based
  - CV demonstrating 6 months of Agile experience
  - Synopsis (5000-10000) around experience on an Agile Project
- Oral Exam
  - Proving ability to understand the “pure” theory and the actual application of this knowledge

6 months Agile Experience

**AgilePM Practitioner Certification**

- Complex multiple choice
- Open book
- Typically taken after completion of 3 day AgilePM Practitioner training course
- Pre-requisite – Pass at AgilePM Foundation

**AgilePM Foundation Certification**

- Simple multiple choice
- Closed book
- Typically taken at end of 3 day Agile PM Practitioner training course
